Decorating Guideline

- Decorating is always at renting party's effort and expense, as is removal.
- Candles must be in or on a container.
- Wax spilled onto linens, chairs and floor will result in loss of deposit.
- Nothing is to be hung from the ceiling tiles or grids. Nothing is to be attached to the wallpaper or woodwork.
- Metallic and plastic glitter or confetti may not be used on table (it sticks to the bottom of dishes and clogs the dishwasher).

- Renter will provide their own cake, nuts, and mints.
- Renter may bring in their own punch and cups or we can provide this for you at an additional charge.
- We have punch bowl and ladle for your use, with notice.
- The smashing of cake into the bride or grooms face will result in loss of deposit if excess mess fall to the floor.

- Renter must provide an adult attendant to be at fountain at all times during its use.
- Renter will provide all plates, napkins and forks as needed for use.
- Renter will provide all utensils for use at the fountain.

Clean-up and set-up

- In order to set-up in advance of the day of your event, you must make arrangements in advance.
- Clean-up must be done just following the event, unless advanced arrangements are made.
- Clean-up means ... taking up anything you put on the table as decoration, including metallic grass, hearts, stars, wedding bells, candy, ECT. If you feel you must use items that produce excess mess, bring a hand vac.
- Confetti, and other non-biodegradable items thrown at the bride and groom as they depart may only be distributed outside of the building and must be cleaned up by the renter afterwards.
- All large cardboard boxes and packaging material must be taken to your own disposal site. (NOT OUR DUMPSTER)
